The Gender Inclusive Restroom Mapping project for Harvard University seeks to ensure that all Harvard community members, including those who are transgender, gender nonbinary, and gender nonconforming, have accurate and inclusive means of locating restrooms when at Harvard.

In partnership with:
Office of the President and Provost • Harvard School of Engineering and Applied Sciences • Title IX Office • Harvard Medical School • Office of BGLTQ Student Life, Harvard College • Harvard Divinity School • Faculty of Arts and Sciences • Harvard Planning Office • and University allies.
