LGBTQ+ Resources for an Inclusive Harvard Community

The Title IX Office, in collaboration with the College Office of BGLTQ Student Life, is proud to be developing a University-wide guide of LGBTQ+ Resources at Harvard and beyond. While you can anticipate the official introduction of the comprehensive guide in the spring of 2019, we encourage students, faculty, and staff to access resources here at Harvard and learn more about activities, information, and internal and external programs that serve LGBTQ+ individuals.
